

You're Invited to Our Spring Session of "Toddler Time" at the Renaissance Preschool!

Toddler Time is a fun "pre" preschool experience for children, aged 26 months to 33 months old, and a parent

The three week session provides your almost preschooler an opportunity to interact with other children and enjoy playing with toys and activities, in a slightly structured preschool setting.

The session takes place on 3 Wednesday mornings
April 30, May 7, and May 14
from 10:00 to 11:30 am

The cost is \$60.00 for the 3 week session or \$25.00 for each class

Parents are welcome to visit our larger preschool classroom to observe and meet our staff during Toddler Time!
